The following members were present for the meeting:-

Dr. D.R. Chaple	Chairperson	
Dr. Mrs. A.J. Asnani	Coordinator	
Dr. V.D. Gulkari	Member	
Dr. Mrs. K. P. Upadhye	Member	
Dr. Mrs. S. S. Bakhle	Member	
Dr. Mrs. M. P. Yeole	Member	
Dr. R. H. Kasliwal	Member	
Mr. Gulshan Gurunani	Member	
Dr. Suresh Motwani	Member	
Ms. Dhanshree Wasu	Student	

The following points were discussed in the meeting

1. Regarding conducting tests

Regular tests based on the topics and course outcomes were planned to enhance skills of students and were conducted in relation to the academic syllabus to increase the interest of the students for the topic.

2. Regarding conducting the seminars at PG level

Weekly seminars were conducted in respective department to increase the understandings of the students. This will also increase the communication skills of students.

3. Regarding research work for patent generation

Several research projects were planned with the scope of patent generation. The projects were allotted to research scholars and regular monitoring of their progress was carried out.

4. Regarding collaborative research

Several alumni's were consulted and with industrial contacts faculties helped in establishing the industrial and institute interactions. These interactions helped in fetching research projects for the students from the industries. Several PG students got benefited with this approach. This would also increase the job opportunities.

5. Regarding revenue generation

As our college is equipped with sophisticated analytical instruments as FTIR, HPLC and HPTLC so we carried out the testing of the samples of students from several colleges. Reasonable fees were charged and the amount was added to the revenue of the institution.

6. Regarding the development programs for non teaching staff

Non teaching staff development program was organized in college for enhancing GLP (Good Laboratory Practice) approaches. The staffs were benefited by such program and they also improvised it.

7. Regarding technological upgradation of the institute

The institute upgraded its technology which was the need of the time. LAN connections were priorly installed in all the PC's of the institutions. These were upgraded to WIFI facilities.

8. Regarding Institute Innovation Cell (IIC)

The Institute Innovation Cell (IIC) will be established so that proper platform to the innovative ideas is provided. Funding agencies are to be consulted.
